

## DEER VALLEY

For over 30 years Deer Valley has been offering skiers a unique winter experience. Readers of Ski Magazine agree, voting it the #1 ski resort for four consecutive years. Deer Valley skiing now boasts SIX mountains; Lady Morgan, Little Baldy Peak, Bald Eagle Mountain, Bald Mountain, Flagstaff and Empire. Combined with great skiing is convenience, with Deer Valley being located just 36 miles from Salt City International Airport and one mile from Park City Main Street.

**The Lodges at Deer Valley** is a first-class condominium hotel in lodge style ambiance. Located just ¼ mile from the Snow Park base area, The Lodges provides transportation to and from the Deer Valley slopes and into the town of Park City. Guest services include onsite check-in, bell and concierge service, outdoor pool and hot tub, fitness center and a general store.
